

*Shalom my friend!*

Blessings to you in the Name of our Master, the Messiah Yeshua! I am so thankful to be writing to you about what is happening in the Perfect Word family today.

### PRESSING FORWARD

Last month, I wrote to you about the financial challenges presently facing Perfect Word. Yet despite the continuing need, we are pressing forward, and taking some relatively sizeable steps of faith. One step in particular is our first major advertising to a market that has never heard of Perfect Word Ministries before. All things considered, the cost is actually quite economical; nevertheless, it represents a substantial investment with the potential to yield a significant return. I believe the Master led me to recognize this opportunity as His provision, so please stand with me in the hope that we will see very favorable results.

### WHAT I'M WORKING ON

Now that *The Real Story of Chanukah* has been completed, I will be spending some time catching up on correspondence -- answering questions on practical faith, theological issues, and the like. My inbox is presently full of such important inquiries. Once I have reduced that mountain to a mole hill, I will be resuming work on my two upcoming titles, *The Messianic Life: Bearing the Fruit of the Spirit* and *Giving ADONAI His Due: Praise & Worship from a Messianic Jewish Perspective*. These are two crucial and timely works, so please keep me in your prayers!

Laboring for you and the sake of Messiah,

*Kevin*

## NEEDS & PRAYER

*We welcome and dearly cherish your prayers and support. Please lift up the following needs before the Master.*

### MINISTRY NEEDS

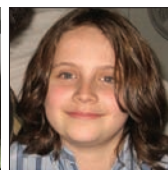

- ☛ Please pray for Perfect Word's finances. ADONAI has been faithful to provide; however, the ministry is facing increasing financial challenges in this depressed economy. Especially between now and year's end, please keep this need in prayer.
- ☛ Please continue to pray for our book/resource production schedule, and that work on the two new books will keep moving forward exactly according to the Father's plan!
- ☛ Please pray for wisdom as I manage the day-to-day operations of Perfect Word, for ADONAI to extend Perfect Word's reach, and for the full realization of the vision He put on my heart.

### FAMILY NEEDS

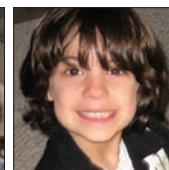

- ☛ Kevin -- "Please pray that I will have a permanent and powerful revelation of faith -- that I will not be afraid to move into uncharted territory, and that I will be confident I am discerning the Master's guidance and direction. Thank you!"
- ☛ Esther -- "Please pray that I will be protected from accidental exposure to any foods that will make me sick (gluten). Also pray for my ability to remain focused and organized."
- ☛ Isaac -- "Would you please pray for me, that I would be more mature and considerate of others. I need to be able to think about others before I think about myself."
- ☛ Josiah -- "Would you please pray for me, that I don't disobey my Imma and Abba, and that I don't lie, and that I self-control myself." Pray that his servant-heart will continue to grow.
- ☛ Hosea -- Please pray for ADONAI "to help me be a good boy, and to heal my bug bite." As Hosea grows, pray that he will continue to turn to ADONAI with every concern.
