

Shalom my friend!

Blessings to you in the Name of our Master, the Messiah Yeshua! May God be praised for His love and compassion -- His mercy endures forever!

SEEKING THE FATHER'S MIND

Now that this year's whirlwind of the Fall *mo'adiym* ("appointed times," see Lev.23:23-43) has abated, we begin the customary end-of-calendar-year wrap-up. It was about this time last year that we published *The Real Story of Chanukah*, which was written in part to refocus us during just such a consumer-oriented season. The message of that book -- subtitled *Dedicated to the Death* -- has been reverberating in my spirit for the last year and a half, and has really shaped my outlook and priorities, as I have sought the Father's mind regarding the future. It has been liberating (and a little scary) to say the least.

WHAT I'M WORKING ON

In that vein, I have continued work on my official stand for the Scriptures -- *Bearing the Standard* -- and it is coming along well. In fact, I will be sending an excerpt of it to you shortly, to give you a sneak peek at this critical, rallying message. I am truly bursting with anticipation right now, as there are so many foundational topics that I feel compelled to address, free from the constraints of man's thoughts and biases, and grounded firmly -- and only -- in the Word of God! Please pray for me, as I feel that this upcoming year may be a pivotal one for me and Perfect Word... and there is so much more that needs to be said.

Laboring for you and the sake of Messiah,

Kevin

NEEDS & PRAYER

We welcome and dearly cherish your prayers and support. Please lift up the following needs before the Master.

MINISTRY NEEDS

- ☛ Keep praying for our resource production schedule -- that our daily work will be productive, fruitful and inspired. Pray for the completion of the various books that are in development.
- ☛ Slowly but surely, God is moving on peoples' hearts to help me bear the standard of Scripture. Please keep praying for God to add more Standard-Bearers to join with me financially to help me in my call to meet the needs of this lost generation.
- ☛ Please keep praying for favor and sales within our new distributions channels in the Christian book market. Pray that I will make wise financial and practical decisions in this regard.

FAMILY NEEDS

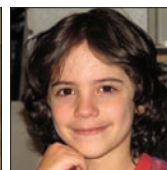

- ☛ Kevin -- "More than anything, I want to be a better father, husband, son, brother, friend, and disciple of Messiah. Please pray that I will always hasten to heed my Master's voice, and thereby fulfill the perfect purpose for which He has made me."
- ☛ Esther -- "Please pray for good time management, so that I can faithfully fill all my roles--wife, mother, friend, and disciple of Messiah. Also pray for strength, health, and clarity of mind."
- ☛ Isaac -- "Please pray that as I start this new year of homeschool that I will learn diligence and not give up when it's hard, and that I will work the way Yeshua would work."
- ☛ Josiah -- "I would like you to pray that I will do my chores with diligence just as my Imma and Abba have told me to, and that I won't disobey them, and also that I will not be crazy."
- ☛ Hosea -- Please pray "that I'll do a good job with my chores and school, I won't get angry with my brothers, that Yeshua will take away my sins, and [I'll stop] not eating over my plate."
