

Shalom my friend!

Blessings to you in the Name of our Master, the Messiah Yeshua! I am so thankful to be writing to you about what is happening in the Perfect Word family today.

CHANGING SEASONS

As I write, we have just begun the fall season on Israel's calendar. While I always look forward to this special time, I find that I am already looking toward the future with somewhat of a growing sense of trepidation. It's not a negative feeling so much as a sense that things in our world are changing far more significantly than many of us realize. And whether those changes are about to come abruptly, or will continue on their gradual but steady decline, the world as we know it is already gone. I feel the underlying rumblings of urgency for the Body of Messiah to be ready and equipped, because a generation -- one that has never been so degenerate and lost -- will soon need our help like never before.

WHAT I'M WORKING ON

This is why I am so determined to do work like *Bearing the Standard* -- my forthcoming, official stand for the Scriptures. In spite of an illness that kept me from writing for nearly two weeks last month, development is moving along, and I am excited about the way this piece is shaping up. While I am unsure at this point if it will be available for distribution by the end of 2011, I hope to make it available to you soon, as there are so many other important things for me to say as well. Your prayers are welcome!

Laboring for you and the sake of Messiah,

Kevin

NEEDS & PRAYER

We welcome and dearly cherish your prayers and support. Please lift up the following needs before the Master.

MINISTRY NEEDS

- ☛ I need more Standard-Bearers to join with me financially, as we prepare to meet the needs of this lost generation. Please pray that people will see the prophetic purpose of Perfect Word, and will be moved to help me in my call with an increase in support.
- ☛ Please keep praying for book sales through our new distributors in the Christian book markets. So far, sales have been poor. It is difficult to reach people who have never heard of us.
- ☛ Keep praying for our resource production schedule -- that our daily work will be productive, fruitful and inspired. Pray for the completion of the various books that are in development.

FAMILY NEEDS

- ☛ Kevin -- "Please pray for good physical health in both chronic and acute conditions, and for the building of my faith for things that the Father has shown me, but seem impossible. Pray also for me in my primary roles of husband and father."
- ☛ Esther -- "As my health continues to fluctuate, I am praising Adonai for the good days or weeks, but seeking Him for complete healing. Please pray for peace and strength!"
- ☛ Isaac -- "Please pray that I will learn to think before I speak, that I will talk to my brothers the way Yeshua would, and that I would be an example of Yeshua with my actions."
- ☛ Josiah -- "I would like you to pray that when my flesh tempts me to do something wrong when I should be doing something right, I will choose to do the right thing."
- ☛ Hosea -- Please pray "I will not have any bad dreams, that I will do stuff right away when my Imma and Abba tell me, and that I will know Yeshua so that ADONAI will take away my sins."
